The Face of a Family

reflecting the dreams and adventures of boyhood
the ideals and aspirations of early manhood
the experience and knowledge of maturity
and the wisdom of the closing years

A portrait of four generations of one family—by James R. Weyer

The sum of our experience is available to all our clients in the many and varied trust services we perform

THE

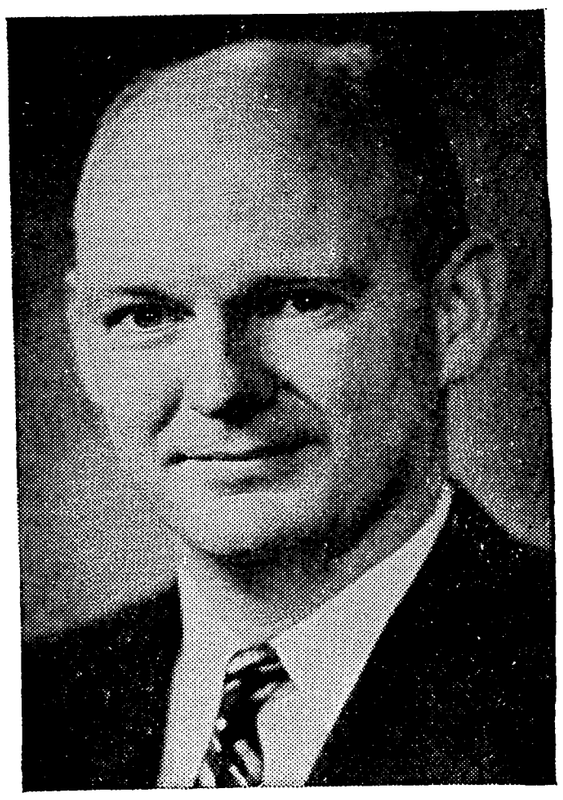
Other People's Money



The management of other people's financial affairs is a service requiring experience and understanding. The measure of good management of "other people's money" is found in the satisfaction of each client and his family.

The total amount of assets placed in Royal Trust's care has climbed steadily over the years until it now exceeds $2.7 billion, or about 30 per cent of the total trust business in Canada. The confidence thus expressed reflects the satisfaction of those we have been privileged to serve. We welcome the opportunity to discuss our services with you.

- Executor and Trustee under Wills
- Trustee under Deeds of Trust
- Administrator or Agent for the Heirs in Estates where there is no Will
- Agent or Attorney for Executors
- Committee or Curator to Property
- Manager of Investments
